THE UNIVERSITY OF TORONTO

TORONTO, 21 Oct. 1913

Dear Mr President

I gather from the attached correspondence that I am supposed to recommend the appointment of Mr Langstaff and of Mr Ferguson as lecturers in Company Organization and accounting respectively. This I do very cordially. Both were most satisfactory. Langstaff is altogether employed by the Faculty of Applied Science: while Ferguson is giving three quarters of his time to that faculty and one quarter to the Faculty of Arts.

I am sorry that I did not know that a formal recommendation was needed.

faithfully yours  
M A Mackenzie

Dear Prof. Mackenzie:-

On inquiry at the Bursar's office I find that no arrangement has been made for the payment of the lecturers in Accounts and Limited Companies. Evidently the recommendation for their appointment has been overlooked. Will you kindly let us know what should be done in the matter, and oblige.

Yours truly,
